

Edible gardens: Growing fruits & vegetables

Expert advice

April 22nd
2025

1:30pm until
2:30pm

The basics of fruit & vegetable gardening
Conducted by Sara Rutherford, Extension agent

Program Location

Washington Park Community Center

Summer is just around the corner! Join us to learn successful ways to grow fruits and vegetables this season. Learn from our Extension agent and Master Gardeners about the best ways to start and care for fruit and veggie plants in containers, raised beds or in garden soil. Gain hands on experience by planting your own fruit or veggie seedlings to take home, grow and enjoy. We want you to have a fruitful gardening experience in 2025.

To register, please call 434-348-4223 by April 17, 2025.

This is a free class and space is limited. For more information about this program, contact Sara Rutherford, srutherford@vt.edu.
