

Solving garden problems: *Identifying weeds*

Expert advice

June 4, 2025

1:30pm until
3:30pm

Part one in a three-part series

Conducted by Sara Rutherford, Extension agent

Program Location

Greensville/Emporia Extension Office

Do you ever wonder what those weeds are in your lawn or garden? Would you like recommendations for controlling those weeds? If so, this educational program is for you! Join us for part one in our series to learn how to identify summer's most pesky weeds and get recommendations for the best control methods. We will venture outside to identify weeds, weather permitting. Then, join us in July and August for disease, disorder and insect identification.

To register, please call 434-348-4223 by May 30, 2025.

This is a free class and space is limited. For more information about this program, contact Sara Rutherford, srutherford@vt.edu.
